QUILT RAFFLE FOR 4-H
Building for Our Youth Block by Block
Sunday of the Fair-following Parade of Champions
Hamilton County Show Arena

The Hamilton County 4-H program will be raffling a queen size quilt, one square wall hanging, an octagon center table quilt and a lap-sized quilt. These items were made from over 80 quilt blocks that were completed and displayed at the previous year's Hamilton County Fair. Additional items made that may be auctioned off are: a tote bag, a quilt block covered basket, a table runner, a pillow and an octagon center table quilt. The blocks were the result of a quilt block contest sponsored by Gingerbread House, Webster City, and the Hamilton County 4-H program.

Raffle tickets are available through Hamilton County Extension and many of their various committee members for \$1 per ticket or \$5 for six tickets. Tickets may be purchased throughout the fair week. Proceeds from the quilted items being raffled will benefit the Hamilton County 4-H program and its members.

The quilt block contest is again sponsored by the Gingerbread House and Hamilton County 4-H. Individuals will have the opportunity to create a quilt block this year that will become part of a quilt to be raffled in next year. Fabric packet kits are available at the Gingerbread House, 309 Bank St., Webster City, IA. There is a \$2 registration fee for the packet of fabrics, which will be used towards the completion of the quilt to be raffled next year. Blocks must be completed by the first day of the fair. There will be a viewer's choice contest for the quilt blocks on display at the Hamilton County Fair with gift certificates awarded by the Gingerbread House for the top three blocks.

Special thanks are expressed to the Gingerbread House for donating the fabrics and the gift certificates for this special activity that will benefit Hamilton County 4-H.

12. Exhibitors are expected to follow the program promptly in producing the stock when instructed to do so, and any person refusing shall be ruled out of competition.
13. Any person knowingly misrepresenting the age, breeding, etc. of stock or the manufacturer or production of articles competing for premiums at the fair; or any person who shall attempt to interfere with the judges while in discharge of their duty, or who shall afterwards on the premises of the association use any disrespectful language with reference to any decisions or awards shall thereby forfeit his right to any premium which might be entitled and shall be excluded for one year thereafter.
14. No person shall be allowed within the ring except officers of the society, exhibitors at the time only of making the exhibitions, committees, and other persons when provided with proper badges.

20. Judges may withhold first premium if in their judgement the best exhibit in the class is not worthy of a prize. It is the object of the Association to further improvement and the judge may at his discretion award first, second, or third or withhold premiums as he/she may deem proper. This rule will be adhered to even where there is competition.
21. Judge should see that the awards are correctly listed. It is well that the judges see that the Superintendent understands the entering of awards.
22. Judges and Superintendents should see that the awards are properly signed before turning the books over to the Secretary.

25. Each Superintendent will give instructions to the awarding judge before the latter enters upon his duties.
26. It shall be the duty of each Superintendent at the close of the Exposition to make a detailed report to the Secretary of the expense incurred by him in his department.
27. The Superintendent will assist in locating stalls. No stalls will be considered taken until paid for.

JUDGES

28. No person shall act as judge in any class in which he or she may be an exhibitor.
29. Should any doubt arise as to the irregularity of an entry, or any other important matter that a judge feels incompetent to decide, they must at once report the same to the Superintendent of the proper department.
30. In case of violation of Rule 14 the judge shall make a written report to the Secretary, who shall bring the matter before the Board of Directors.

(ALSO SEE GENERAL RULES IN FRONT OF 4-H SECTION)

1. All animals must have been properly enrolled as a 4-H project or VoAg-FFA enterprise.

2. All Market Beef must have been weighed in by January 15th and Market Sheep and Market Meat Goats by May 15th at a designated time and site. All livestock must have been identified on Livestock ID and on file at the Extension Office by May 15.

3. **SUBSTITUTE SHOWMAN** – Excusing a member from personally exhibiting his or her animal(s) defeats the important objectives of 4-H/FFA work. Hence, the management does not approve the use of substitute showmen except in extreme cases.

If a 4-Her or FFA member is injured or is seriously ill at the time of the show or is involved in another FAIR activity with a non-flexible schedule at which their presence is mandatory (i.e. another livestock show, queen contest, quiz bowl, Pride of Iowa) the 4-Her or FFA member may submit an application for a substitute showman. The Superintendents will decide on eligibility. The substitute showman must be a 4-Her or FFA member eligible to exhibit at the fair, already exhibiting in the species, and **APPROVED IN ADVANCE OF THE SHOW** by the superintendents.

Forms for the approval of substitute showman may be obtained from the Extension Office. These forms must be filled out completely and approved **IN ADVANCE OF THE SHOW**. If the request is approved, the form will be handed to the clerk checking the class into the show ring.

An exhibitor, who has more than one animal in a class, need not secure approval for another eligible showman (someone already exhibiting in that species) to exhibit one of his/her animals. However, it is expected such cases will be brought to the attention of the clerk checking animals into the check-in area or show ring.

No substitution will be allowed for showmanship lots.

4. All purebred livestock exhibited in breeding classes must be registered and recorded in the exhibitor's name or in partnership with parent or guardian prior to the date of showing.

5. In the event of two entries in one class or illness of exhibitor, a bonafide VoAg-FFA or 4-H member, enrolled per Items 1 and 2 in General Rules, may show the animal upon approval of the Department Superintendent.

6. All animals will be placed on a merit basis into blue, red or white ribbon groups. To be considered for a champion ribbon and/or trophy, the animals must receive a blue ribbon and be of championship quality (as designated by judge).

This includes no painting (or black adhesive) above the hooves on beef animals. Fair officials do not allow the use of diesel fuel on hogs. All animals giving evidence of such treatment will be barred from exhibition at the Hamilton County Fair. The Hamilton County Fair Board will make final rulings. HERDSMANSHIP DIVISION

Herdsmanship will be judged twice a day, everyday during the county fair. Barns will be judged 1 hour after weigh-ins are completed and 1 hour after each livestock show is completed. The overall objective of "Herdsmanship" is to encourage exhibitors to present their livestock, alley, and pen area to fair goers in an attractive and appealing manner.

Enforcement of these rules will be carried out with the following procedures:

24. All 4-H and VoAg FFA exhibitors must have their horses under complete control at all times. Horses must enter the ring unassisted and the gate must be closed before starting the class or course. Riders will not be allowed to leave the ring until their horses are walking under control. (No horses will gallop into or out of the show ring; this endangers other exhibitors and spectators, and will result in disqualification). Rider having difficulty in the ring and desiring to leave should request permission to be excused from the ringmaster or judge. Check the list below for some examples of what constitutes an unruly horse (being lead or rode) that will be excused from the arena.
 - a. A runaway horse
 - b. Bucking
 - c. Rearing
 - d. Kicking other horses
 - e. Biting other horses

25. Show management or the judges can reserve the right to refuse an exhibitor entry into any class or event if they deem entry unsafe for the exhibitors or other exhibitors' animals. All show officials have the authority and **must dismiss** from the ring any entry that is unruly or not in sufficient control for the safety of the handler or other exhibitors.

26. All horses are to be ridden astride. If for any reason, a rider is thrown from a horse, continued performance is permitted; however, the exhibitor should be penalized by either lowering one ribbon group or receiving the lowest ribbon at judges' discretion. **In a timed event**, if a rider is thrown and/or the horse falls, it is suggested that the entry retire from the arena receiving the lowest ribbon placing at the judge's discretion.
